

POWER OF ATTORNEY BY ASSIGNEE

The assignee of the patent application filed January 4, 2002, Serial No. 10/039,166, entitled **SNOWSHOE WITH TWO DEGREES OF ROTATIONAL FREEDOM**, hereby appoints

Thomas M. Freiburger
Registration No. 27,063

as its attorney to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith, said appointment to be the exclusion of the inventor(s) and his attorney(s) in accordance with the provisions of 37 CFR Section 3.73(b).

Documentary evidence of chain of title of the invention and application is in the form of an executed assignment from the sole inventor to the assignee identified below, a copy of which is included herewith and which is now submitted for recording in the Patent and Trademark Office.

As an officer of the assignee, I have reviewed the enclosed assignment and I certify that, to the best of my and the assignee's knowledge and belief, title to the invention and patent application is in the assignee as listed below.

Please direct all communications relative to said application to the following correspondence address:
